

# A-935 HVLP Gravity Gun Kit

*New for  
2007!*

*anti-drip  
screw-on lid*

*1/2 Litre  
pot*

*Full spray pattern  
control, vertical,  
horizontal, & fan  
width*

*Material flow  
control*

*Includes nozzles:  
1.5mm (installed)  
2.0mm (spare)*

*Operates from a  
standard twin  
cylinder air  
compressor with  
20 gallon tank  
which delivers:  
8.2 cfm @ 40 psi  
6.5 cfm @ 90 psi.*

*Air flow valve  
is built-in*

*Air regulator  
with gauge*

**#L015-008 A-935 HVLP Gravity Air Gun**

## **Gravity HVLP air spray gun:**

The A-935 HVLP is designed for low overspray and high production. Low overspray is achieved by converting compressor air to High Volume Low Pressure in the air cap. Applications for this spray gun include furniture fine finishing, auto body, metal fabrication, and most other spray type jobs. The metal gun is durable and has a light weight nylon gravity container with a non-drip screw-on lid. Spray fan control is adjusted on the side of the gun, horizontal and vertical pattern is controlled at the air cap, and material flow is controlled at the back of the gun. Materials which can be sprayed include varnish, urethane, lacquer, automotive paint, metallics, epoxy, enamel, stain, latex, oil base, multi-colour, etc. The gun comes with a 1/2 litre container. The fluid needle and seat are made of stainless steel, and the entire gun can be placed in a gun cleaning cabinet. This gun is supplied with a 1.5 mm general purpose nozzle for thin materials such as lacquer, stain, and enamels, and includes a 2.0 kit for latex and oil base. Nozzle sizes 1.0 & 2.5 are available separately (see chart below).

### **Nozzle chart**

Material	1.0 mm	1.5 mm	2.0 mm	2.5mm
clear finishes (up to 20 sec)	best	ok	no	no
colour finishes (20 - 40 sec)	ok	best	ok	no
multicolour & heavy latex (40+ sec)	no	no <small>(installed in spray gun)</small>	best <small>(included with kit)</small>	best

### **Applications:**

- Furniture finishing
- Automotive finishing
- Industrial coatings
- Multi-Colour coatings

### **Features:**

- Professional HVLP
- All metal gun body
- Easy to use
- Easy to clean
