Pressure Pot 2.25 Gallon Kit A-910 1.8mm 3/8" x 25'

The heavy duty commercial paint **SKU: L011070** pressure pot is built to last with thick gauge all-steel construction. It features high quality regulators with glass face gauges, a replaceable inner liner and stainless steel handle. This complete kit includes a 2.25 gallon pressure pot, 25 foot twin hose set and an A-910 professional spray gun.

The A-910 conventional spray gun in this kit is designed for furniture finishing, cabinet spraying, casings and railings, metal fabrication shops or contractors doing general fine finishing work. The fluid needle and seat are made of stainless steel and the entire gun can be placed in a gun cleaning cabinet.
