

## Pressure Pot 2.25 Gallons A-580

This heavy duty commercial pressure pot is **SKU: L011077** built to last with thick gauge all-steel construction. It features top quality regulators with glass face gauges, a replaceable inner liner and stainless steel handle. It is a complete kit which includes a 2.25 gallon paint pressure pot, 25 foot ultraflex twin hose set and an A-580 professional spray gun.

The A-580S paint spray gun is more easy to handle for a small hand and designed for furniture finishing, cabinet spraying, casings and railings, metal fabrication shops or contractors doing general fine finishing work.
